

CAMELLIA HORTICULTURE DIVISION

Show Rules for Horticulture Division

1. This show is held in cooperation with the American Camellia Society (ACS). The ACS Show Rules and Regulations (eff. July 1, 2017) will apply, except as otherwise set out herein. The decision of the judges will be final.
2. Entries will be received from 7:00 a.m. until 10:00 a.m. on Saturday. Judging will begin at 10:30 a.m. The show will open to the public at 1:00 p.m.
3. The show is open to any camellia grower. Exhibitors shall **not** place their own blooms. Seedlings may be separated between treated and untreated blooms to assist the judges' evaluations.
4. Nomenclature authority: Chapter II, Section 3, ACS Show Rules and Regulations. Cultivars with multiple names will be entered under the preferred name in the *Camellia Nomenclature*. When a camellia variety is listed in two sizes (e.g., "small to medium") it will be judged in the smaller size category unless specifically marked for the larger size. **The only exception will be blooms registered as "miniature to small" which will be judged as small. Only blooms registered as "miniature" shall be judged as miniature. Unprotected blooms are those grown without manmade protection such as green house or shade house.**
5. ACS entry cards for classifying blooms will be available at the show, and should be completed consistent with *Nomenclature or ACS Journal* descriptions cited above.
WHITE CARDS: ALL JAPONICAS WITH CORRECT CLASS#
GREEN CARDS: ALL RETICS WITH CORRECT CLASS#
BLUE CARDS: ALL NON RETIC HYBRIDS WITH CORRECT CLASS#
RED/PINK CARDS: ALL DIVISION III ENTRIES WITH CORRECT CLASS#
Novice/ Student entries should use white cards marked in accordance with Rule 10.
6. Each entry will be eligible for only one award.
7. Only judges and authorized persons will be permitted in the exhibition area during judging. Judges may decide not to award ribbons to certain varieties if they deem them to be below show quality.
8. All blooms entered must be grown by the exhibitor and the plant in his or her possession at least thirty days prior to the show. All blooms become the property of the Pensacola Camellia Club and will be disposed of by the show committee.
9. Each container/cup must have only one bloom and must show either one or two leaves (**except for sprays**). For seedling and sports entries, two blooms may be entered under one card in order to assist the judges' evaluation.
10. Special Rules for Novice/Student class in the Horticulture Division:
 - a) The novice or student class is open to exhibitors who have not won more than three awards at the head table of any camellia show.
 - b) **Special white entry cards marked "Novice" will be used. These cards will be available at the show, or the exhibitor may write "Novice" on a regular white entry card.**
 - c) Only blooms grown outside and unprotected may be entered in this class.
 - d) Although entries may be separated by species, awards will be given only for one set of size categories.
