

Horticulture Divisions

1. The Show will be conducted in accordance with the American Camellia Society rules.
2. Entries (open to all amateur growers) will be received from 7:30 - 10:30 AM on Saturday.
3. There is no limit on number of blooms an exhibitor may enter.
4. Ribbons will be awarded at the discretion of judges, and judges' decisions are final.
5. One bloom to a stem, one or two leaves, stems two inches or less.
6. If only one bloom of a variety is entered, it shall constitute a class.
7. A bloom may receive only one award.
8. All blooms with multiple names will be exhibited as representatives of one variety. The authority for classification will be the latest edition of the *SCCS Nomenclature*. Where a bloom is classified to include two sizes, the smaller size shall determine the award class, except in miniatures. Blooms must be classified as miniature only (not miniature-to-small) to compete in the miniature class.
9. Exhibitors are encouraged to circle bloom size on designated entry cards (green for protected, white for unprotected, yellow for reticulatas and blue for non-reticulata hybrids).
10. Camellias grown with any man-made protection shall not compete with those grown in the open.
11. The Show Committee reserves the right to reject any blooms that are obviously inferior in quality.
