

Notes and Application Instructions for ACS Leadership Positions

Notes:

- The committee will review and qualify all applications before they are included on a state or regional ballot or submitted to the ACS Board as set forth in the ACS Bylaws, which are available on the ACS website.
- Any ACS member wishing to nominate another member for any opening may submit a letter of nomination by email to the Board Development Chairperson, Jim Dickson at cjdickson@bellsouth.net. However, to be considered, the nominee must complete and submit the online application.

To be considered applications must include:

- Completed application form below including reference information. References may be contacted by the committee during the slating process.
- Current resume (not to exceed two pages) that includes your volunteer and employment experience, including dates of positions held. Your resume can be attached in the box just above the "Submit" button.
- Letter to the Board Development Committee (not to exceed two pages) in which you identify the following:
 - ♦ The position for which you are applying;
 - ♦ Examples of any experience pertaining to the responsibilities of the position(s) for which you are applying; and
 - ♦ A statement of why you are interested in the position(s).

Incomplete applications will not be considered.

Each candidate is responsible for ensuring the completed application is received by the deadline. Please keep a copy of your application and supporting information for your files. You should receive an email confirming receipt of your application within one week of delivery. If you do not receive confirmation, please contact the Chairperson at the telephone number listed below. The letter and your resume can be attached using the upload box below.

If you have any questions about this form or the nominating process, please call or email Board Development Committee Chairperson, Jim Dickson at cjdickson@bellsouth.net (Eastern Time Zone) at (803) 279-9451.

All questions labeled with an asterisk (*) are required and must be answered in order to submit the form. Be sure to enter the Captcha security code above the submit button before clicking submit. The form will not submit content if Captcha is left blank.
