

SHOW RULES

1. The Show will be conducted in accordance with the American Camellia Society Rules
2. The Show is open to amateur growers only. Commercial growers and all persons associated with commercial growing activity are excluded from this show with the exception of Division III, Class II.
3. Entries will be accepted between the hours of 8:00 a.m. and 11:00 a.m. on the day of the show. Entries for the St. Tammany Competition must be displayed by 10:30 a.m. St. Tammany blooms will be judged promptly at 11:00 a.m.
4. Only authorized persons will be permitted in the exhibition area during the placing and judging of blooms.
5. There is no limit on the number of blooms an exhibitor may enter.
6. Only one bloom per stem may be entered. Each bloom must have at least one leaf representative of the plant, and may have two leaves, but no more. Leaves may be attached, loose or artificially attached.
7. Each entry will be eligible for only one trophy.
8. All blooms entered must have been grown by the person named on the entry card. The bloom bearing plant must have been in their possession for at least 30 days prior to the show.
9. Only one bloom is required to constitute a class. It will be judged according to the standard of perfection for that variety.
10. Judges must refrain from judging when their blooms are under consideration to be sent to the contention table.
11. The novice class is open to exhibitors who have never won an award at any camellia show.
12. Blooms must be displayed in containers provided by the Club, except in special cases when the Show Chairman may waive this rule.
13. Exhibitors need not be a member of the Ozone Camellia Club.
14. Judges may refuse to award a prize in a given variety and class if they deem the entries below show quality.

DEFINITIONS

GROWN PROTECTED: Blooms grown indoors in movable containers or permanently planted, that are protected from the weather by an enclosed structure, which may or may not have an active humidity or temperature control.

GROWN UNPROTECTED: Blooms grown outdoors, planted permanently in virgin soil or enhanced soil, with no protection from the weather except for natural barriers such as trees, shrubs, or structures that are part of the estate, i.e. house, barn, fence, etc. (By ACS rules, a slat structure is permitted.)
