

# PETAL PUSHERS

NORTHERN CALIFORNIA CAMELLIA SOCIETY - MARCH

## Great Show Big Success

The show was a huge success. We put up the show in 4 hours and took it down in 1 1/2 hours. We had a great turn out on both Saturday and Sunday. The luncheon was excellent as usual and the blooms were outstanding, considering the weather we had during the week. A big THANK YOU to our team that worked so hard to put on this show. They were Beve Heathorn, Donna Neff, Justin and Melissa Bergamini, Barbara Gilmartin, Don and Mary Bergamini, Daryl the custodian, Elena Griffing, Leslie Servin, Becky Nivolo, Nancy Samelson and Don and Joan Lesmeister. Also a Big Thank You to Carol Schanz who did all the computer work. Thanks Bob Ehrhart for the ads. Best of Show was Mary Edna Curlee by the Lesmeisters.

# Some helpful tips

JOHN HUNT

1. You can still gib.
2. Prune as you pick.
3. Pick up spent blooms to avoid petal blight
4. Pin back leaves.
5. Point blooms downward to protect blooms from rain.
6. Check plants under eaves to make sure they are getting watered.
