The American Camellia Yearbook Cumulative Index 2000-2004 ...............2004 185
The American Camellia Yearbook Cumulative Index 2000-2005 ...............2005 132

DEDICATION
Dedication to T. Edward Powers .......................................................2000 xv
Dedication to E. Hulyn Smith ...........................................................2001 4
Dedication to Arthur A. Gonos ........................................................2002 4
Dedication to Sergio and Elsie Bracci ..............................................2003 4
Dedication to Robert A. Stroud .......................................................2004 4

COVER STORY
Breeding Progress with Yellow Camellias, Clifford R. Parks .....................2000 9
C. azalea Promises New Horizons for Camellias, Gao Jiyan .......................2001 8
Talking about Camellia amplexicaulis, Gao Jiyan ..................................2002 22
Re-blooming Camellia Azalea is Alive and Well, Dr. James F. Harbage ........2003 8
The Cinderella of Camellias ‘Plain Jane’, William L. Ackerman .................2004 10
From Tea to Shining Tree, George Wright .........................................2005 9

CAMELLIA CULTURE
COLD HARDINESS
Growing Camellias in Northern Climates, William L. Ackerman ..................2000 13
New Camellias for the Landscape, Dr. Clifford R. Parks ..........................2001 66
Cold Hardy Camellias, W. L. Ackerman ...........................................2002 73
The Cinderella of Camellias ‘Plain Jane’, William L. Ackerman ................2004 10
Snow Cover and Plant Survival, W. L. Ackerman et al. ..........................2004 17
Steps to Protect a Camellia from Winter Cold, W. L. Ackerman ...............2004 21
Winter Tolerance in Camellias, Clifford R. Parks ................................2004 62
Cold Hardiness in Camellias Update, W. L. Ackerman ..........................2005 15

DISEASES AND PESTS
Potential Role of Arbuscular Mycorrhizas in Fungal Root Rot of Camellia,  
A New Leaf Spot Disease: Fungus Guignardia, Gordon E. Holcomb .............2000 47
Camellia Disease Control, ACS Research Committee, Mark Crawford ........2001 22

**Cumulative Index • 2005**
Cold Hardiness in Camellias Update, W. L. Ackerman ...........................................2005 15
Katrina, Joseph Adcox .................................................................2005 22
The Gulf Coast Deals with Hurricanes’ Aftermath, Ann Walton ..................2005 26
Camellias as Hurricane Survivors, William Y. Bennett .........................2005 30
Birth of a Camellia Garden, Ann Walton ...........................................2005 31
Hank and Vi Stone Camellia Collection, The Burden Center .................2005 34
The Camellia Moves North, Eli Margrete S. Stolsvik ................................2005 93

CAMELLIA NURSERY LISTING
Participating Camellia Nurseries in the United States ..........................2004 37
Participating Camellia Nurseries in the United States ..........................2005 36

PROPA GATION

Air Layering
Modified Air Layering for Camellia Propagation in All Seasons, Cheng Lee,
Nathan Lee & Pei-Lin Labonte .........................................................2001 55
Improved Air Layering for Larger Camellias, Cheng Lee, Nathan Lee & Pei-Lin Labonte 2001 61
The Dr. Lee Air Layering Method for Large Camellias ..........................2004 40
Florida Camellia Growers Propagate 5-6 foot Camellias in less than a Year,
Ann Walton ..................................................................................2004 46

Grafting
Fail Safe Grafting, Thomas Lee .........................................................2000 29
Summer Mist Cleft Grafting, Cheng Lee and Nathan Lee .......................2000 79
Grafting Previously Air-layered Camellias, Cheng Lee and Nathan Lee ......2000 84
Growth Response of Camellias Grafted in March by High Graft, Cheng H. Lee
and Pei-Lin LaBonte ..................................................................2002 83
The Use of Multiple Grafts & “Nurse” Branches for Rapid Plant
Development, Robert G. Petersen ....................................................2002 89
Re-blooming Camellia Azalea is Alive and Well in Longwood Gardens,
Dr. James F. Harbage ................................................................2003 8

Growing Camellia Seeds
Germination of Camellia Seeds in a Mini Greenhouse, John Wang ........2005 48

Hybridization
Breeding Progress with Yellow Camellias, Clifford R. Parks .....................2000 9
Camellia Azalea: A Unique Species, Gao Jiyan ........................................2000 11
C. azalea Promises New Horizons for Camellias, Gao Jiyan .................2001 4
ACS Hybridizing Committee, Gene Phillips ...........................................2001 41
The Narumigata Factor, Neville Haydon ..............................................2001 44
Camellia Hybridization in My Back Yard, John Wang ...........................2001 45
A Guide to Hybridization in Camellias, Dr. Clifford R. Parks ...............2001 52
Foreword, Gene Phillips ...................................................................2002 9
The Fundamentals of Camellia Hybridizing, Gene Phillips .....................2002 10
New Species Collections in The Genus Camellia and Some Thoughts on
their use in Breeding And Horticulture, Gao Jiyan, Du Yueqiang,
Bill Thomas, Richard Schulhof, and Clifford Parks ...........................2002 15
Talking about Camellia amplexicaulis, Gao Jiyan ...................................2002 22
Meet Professor Gao Jiyn .................................................. 2002 25
Objectives In Hybridization, Gene Phillips ............................... 2002 26
Basics of Camellia Breeding, Clifford R. Parks ........................... 2002 30
Species Camellia Hybridization, William L. Ackerman ............... 2002 39
Frontiers in Hybridization, William L. Ackerman ..................... 2002 48
Molecular Analysis of the Genus Camellia, Xiao Tiaojiang and
Clifford R. Parks ................................................................ 2002 52
Harvesting, Storing and Shipping Camellia Pollen, David Parks ....... 2002 59
Evaluating Camellia Seedlings, Tom Nuccio ............................... 2002 62
My Gold Dream, John Wang ............................................... 2002 64
Breeding for Landscape Camellias, Neville Haydon .................... 2002 71
Cold Hardy Camellias, W. L. Ackerman .................................. 2002 73
Breeding Camellias for Exhibition, E. Hulyn Smith ..................... 2002 78
Selecting Camellias for Commercial Production, Bob Black ......... 2002 79
Propagating Camellias from Seed, Tom Johnson ....................... 2002 81
Re-blooming Camellia Azalea is Alive and Well in Longwood Gardens,
Dr. James F. Harbage ........................................................ 2003 8
Thoughts on Improving the Efficiency of Camellia Hybridization,
John Wang ...................................................................... 2003 17
One Plant Breeder’s Experience with Intergeneric Hybridization,
William L. Ackerman ..................................................... 2004 50

BUDDING

Budding Camellias, Robert G. Petersen .................................... 2003 21

RESEARCH

Identification of Camellia Species using RAPD DNA Markers, S.O. Park,
A.S. Bhagsari, J.P. Jackson, and J. Carter, Fort Valley State University...... 2000 31
Will Camellias Become a National Crop in the U.S., Ann E Walton .... 2001 11
Nursery Production of Tea Oil Camellia, Dr. John M. Ruter ............. 2001 13
Update on Camellia oleifera Research, Dr. John M. Ruter ............... 2001 16
Fungal Diseases Affecting Camellia in Galicia, NW Spain, J.P. Mansilla,
O. Aguin, P. Vela and M.C. Salinero .................................... 2001 18
Camellia Disease Control, ACS Research Committee, Mark Crawford ... 2001 22
The Camellia Memorial Trust Inc. Chairman’s Report, Vince Neall .... 2001 24
Developing Biocontrol Methods for Camellia Flower Blight, N.Z. Research
Summary Prof Allison Stewart and Ron van Toor ....................... 2001 27
Tests of Bicarbonate Formulations & Manuka Oil for Ciborinia camelliae, J.P. Long 2001 37
Fort Valley State University Researches DNA Camellia Identification...... 2001 38
New Species Collections in The Genus Camellia and Some Thoughts on
Their Use in Breeding And Horticulture, Gao Jiyn, Du Yueqiang,
Bill Thomas, Richard Schulhof, and Clifford Parks .................... 2002 15
Basics of Camellia Breeding, Clifford R. Parks ............................ 2002 30
Species Camellia Hybridization, William L. Ackerman .................. 2002 39
Molecular Analysis of the Genus Camellia, Xiao Tiaojiang and
Clifford R. Parks ................................................................ 2002 52
My Gold Dream, John Wang ............................................... 2002 64
Cold Hardy Camellias, W. L. Ackerman ..........................2002 73
Tea Oil and other Camellias in Zhejiang Province, China, John M. Ruter ..........................2002 97
Camellia Cousin Could Become A Georgia Farm Crop, Brad Haire ..........................2002 103
Two Species: Camellia gigantocarpa Hu and Camellia crapnelliana Tutcher, Ye Chuang-xing and Shi Xiang-gang ..........................2002 105
Chairman's Report to the AGM of The New Zealand Camellia Society Inc. 2002, Vince Neall ..........................2002 114
Development of Biocontrol Methods for Camellia Flower Blight Caused by Ciborinia camelliae, Ron van Toor ..........................2003 29
Chairman's Report to the AGM of The New Zealand Camellia Society Inc., Vince Neall ..........................2003 34
Section Paracamellia, Clifford R. Parks ..........................2003 36
Winter Tolerance in Camellias, Clifford R. Parks ..........................2004 62
Phytopathogenic Nematodes associated with Camellia genus in NW Spain, A. Abelleira et al. ..........................2004 71
Camellia Oil Project gets new Lease on Life, Ann Walton ..........................2004 76
FVSU Researchers preview on DNA Analyses on Camellia Samples, Ann Walton ..........................2004 78
Species Diversity of the Genus Camellia, Gao Jiyin ..........................2005 59

SPECIES AND VARIETIES
Camellia Azalea, A Unique Species, Gao Jiyin ..........................2000 11
Visit to the Home of Reticulata Camellias, C. R. Parks and Barbara Thakor 2000 50
The Camellia and Lake Maggiore, Piero Hillerman ..........................2001 81
How Best to Describe Camellia Color, Gordon H. Goff ..........................2001 99
New Camellias for the Landscape, Dr. Clifford R. Parks ..........................2001 66
Fort Valley State University Researches DNA Camellia Identification ..........................2001 38
Talking about Camellia amplexicaulis, Gao Jiyin ..........................2002 22
New Camellias Registered Since 1999 Yearbook ..........................2000 1
New Camellias Registered with ACS in 2001 ..........................2001 93
Talking about Camellia amplexicaulis, Gao Jiyin ..........................2002 22
New Species Collections in The Genus Camellia and Some Thoughts on Their Use in Breeding And Horticulture, Gao Jiyin, Du Yueqiang, Bill Thomas, Richard Schulhof, and Clifford Parks ..........................2002 15
Meet Professor Gao Jiyin ..........................2002 25
Basics of Camellia Breeding, Clifford R. Parks ..........................2002 30
Species Camellia Hybridization, William L. Ackerman ..........................2002 39
Frontiers in Hybridization, William L. Ackerman ..........................2002 48
Molecular Analysis of the Genus Camellia, Xiao Tiaojiang and Clifford R. Parks ..........................2002 52
Cold Hardy Camellias, W. L. Ackerman ..........................2002 73
Two Species: Camellia gigantocarpa Hu and Camellia crapnelliana Tutcher, Ye Chuang-xing and Shi Xiang-gang ..........................2002 105
Re-blooming Camellia Azalea is Alive and Well in Longwood Gardens,  
*Dr. James F. Harbage* .................................................. 2003 8

Thoughts on Improving the Efficiency of Camellia Hybridization,  
*John Wang* ............................................................... 2003 17

*Section Paracamellia, Clifford R. Parks* ....................................... 2003 36

Camellias Registered with ACS for 2003 ............................................ 2003 60

Camellias Registered with ACS for 2004 ............................................ 2004 90

Camellias Registered with ACS for 2005 ............................................ 2005 39

Symposium on *Camellia nitidissima, Gregory Davis* ...................... 2005 90

*Camellia chrysanthana* Park, Gregory Davis .................................. 2005 91

Yellow Camellias

Breeding Progress with Yellow Camellias, *Clifford R. Parks* .................... 2000 9

My Gold Dream, *John Wang* .................................................. 2002 64

Symposium on *Camellia nitidissima, Gregory Davis* ...................... 2005 90

Camellia chrysanthana* Park, Gregory Davis .................................. 2005 91

INTERNATIONAL

*Camellia azalea: A Unique Species, Gao Jiyin* .................................. 2000 11

The Potential Role of Arbuscular Mycorrhizas in Fungal Root Rot of Camellia,  

Visit to the Home of Reticulata Camellias, *C. R. Parks and Barbara Thakor* .... 2000 50

Camellia Expedition China 2000- Human Interest  
*B. Thakor & C. R. Parks* ............................................. 2000 50

Descanso Gardens Joins Camellia Research Trip to China, *Tim Thibault* ........ 2000 72

The Camellia and Lake Maggiore, *Piero Hillerman* ............................. 2001 81

Fungal Diseases Affecting Camellia in Galicia, NW Spain, *J.P. Mansilla,  
O. Aguín, P. Vela and M.C. Salinero* .................................... 2001 18

The Camellia Memorial Trust Inc. Chairman’s Report, *Vince Neall* .......... 2001 24

Developing Biocontrol Methods for Camellia Flower Blight, N.Z. Research  
Summary , *Prof. Allison Stewart and Ron van Toor* .......................... 2001 27

Tests of Bicarbonate Formulations and Manuka Oil for *Ciborinia camelliae, J.P. Long* 2001 37

The Narumigata Factor, *Neville Haydon* ..................................... 2001 44

Talking about *Camellia amplexicaulis, Gao Jiyin* ........................... 2002 22
